Enjoy the technology of pure refreshment with ION™ Bottleless Water Cooler. Designed to fit on most countertops, the ION™ makes a great office water cooler where space may be limited.

Be good to your body, and make the healthy choice to switch to ION, a healthy alternative to sugary drinks. With a simple press of a button, enjoy an endless supply of cold, hot, ambient or sparkling water.

InstaChill™

Every glass is freshly filtered and instantly chilled in a Sealed Water Pathway where air never contacts the water supply.

Rapidhot™

Tea, cocoa, and even instant soups are delicious with piping hot, freshly filtered water. Up to two gallons per hour, convenient and ready whenever you are.

Cooling Capacity

Dispense an 8-ounce glass of water every 30 seconds, for an hour ... and ION makes sure it's 42°F or colder. No other cooler even comes close.

Sparkling Water

Indulge your healthy lifestyle with the healthy alternative to soft drinks. Refreshing with juice, or a twist of lemon or lime.

Quick Filter Changes

A simple twist to remove the filter, without any tools ... even without turning off the water supply.

Touchscreen Technology

Easy to use Touchscreen allows users to customize settings, and provides maintenance reminders.

Energy Savings Mode

Why run an appliance when no one is using it? Schedule ION's Sleepmode™ to reduce energy consumption anytime, anywhere.

SodaPro Regulator

Optional feature for easy to change CO2 supply. Provides up to 250 8-ounce glasses
